

JOIN US for a FREE FARM FIELD TRIP!

Learn all about local foods, sustainable farming and how the Farm to WIC program builds partnerships between WIC vendors and local farmers to provide WIC customers the freshest locally grown fruits and vegetables California has to offer.

Come with us, as we explore the fields, farms and bountiful harvest that San Diego farmers have to offer you and the WIC program. Meet local farmers, taste their food and learn about how food gets from the farm field to WIC stores via the Harvest of the Month 200 program.

The field trip will include, free of charge:

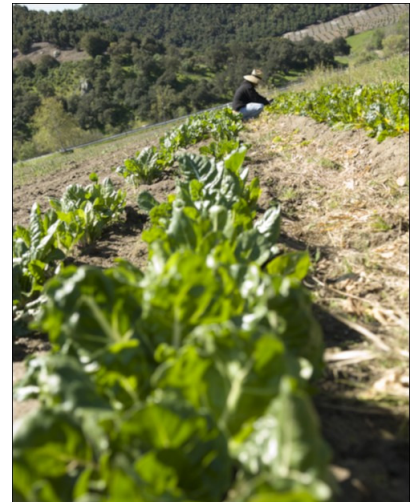

- Tour of at least 1 local family farm
- A local food taste test
- Sunset snacks: Delicious appetizers and refreshing beverages provided by local producers
